OCTOBER 2025 ISSUE

### PROJECT UPDATES

#### Ongoing/Completed:

Board approved installation of electric entrance gate.

Pond stocked with 100 crappie, 200 bluegill, & 5lbs of minnows.

Promatic consultant will be out this week to look at our property to see where we could fit a Sporting Clays course.

#### Upcoming:

Board will hold a firearm raffle to help fund the start of a Sporting Clays course.

Replace concrete at Pistol Range.

Repair windmills so air will be added to pond throughout winter.

### NEW BUSINESS

Pond has been stocked with new fish, please do not use barbed hooks so the fish can grow and reproduce over the next couple of seasons.

Fall-O-Ween was a great success even though the weather wasn't great. We had over 250 community members join us at the club and even got a few new members!

As deer season kicks off, we want to wish all our members a safe, successful, and enjoyable hunt!

### JOIN US!
